ON-DEMAND REPORTING AND ANALYTICS LOWERS TOTAL COST OF OWNERSHIP InterReport is Dimensional Insight's secure, on-demand reporting and analytics solution. Your users enjoy quick, browser-based access to reports and key performance indicators, presented in an easy-to-use and intuitive format. With a low monthly subscription rate, InterReport allows your users to reap the benefits of self-service reporting and analytics, customized to the requirements of your business.

INTERREPORT: THE ULTIMATE FLEXIBILITY IN HOSTED BUSINESS INTELLIGENCE InterReport is highly customizable to meet the unique needs of your business, and implementation is rapid, due to DI's many years of experience serving hosted business intelligence across several

industries, including distribution, supply chain and healthcare. InterReport performs automated daily data pulls from your disparate source systems, aggregates them on a secure, dedicated server and disseminates live reports to your users.

InterReport is hosted in an ultra-secure facility with massively redundant infrastructure. This ensures that InterReport's mission-critical reporting and analytics services are available 24/7. Hardware, and Diver Solution software and operating system upgrades are seamlessly handled by Dimensional Insight's InterReport team. Industry-leading security, encryption, and event logging mean that even highly regulated business sectors such as healthcare can benefit from the convenience of InterReport.
