For the ninth year in a row, Epic earned the top score for Overall Software Suite in the annual [Best in KLAS 2019 Software & Services](https://klasresearch.com/report/2019-best-in-klas-software-services/1473) (https://klasresearch.com/report/2019-best-in-klas-software-services/1473) report.

The Verona, Wisconsin-based health IT giant also scored top marks in the Overall Physician Practice Vendor category, and was best-rated in nine segments, while also winning category leader awards in two others.

In other major categories, Impact Advisors was named the top Overall IT Services Firm. It also won top marks for HIT Enterprise Implementation Leadership and was also the

winner in the Clinical Optimization cate. Premier, meanwhile, earned the award of top Overall Healthcare Management Consulting Firm.

Best in KLAS is an annual survey from the Orem, Utah advisory firm, based on the 2,500 or so interviews it conducts with providers and payers each month. On an annual basis, that feedback represents the opinions of clinicians and other healthcare decision-makers from more than 4,500 hospitals and 2,500 outpatient clinics.
